REPORT ON "OBSERVATIONAL VISIT – PONLAIT" (13.06.2022)**

The Department of Community Health Nursing, Vinayaka Mission's College of Nursing arranged the "Observational visit to Ponlait, Puducherry". We have started at 09.15Am from our institution and reached Ponlait at 10Am. Our students were guided by the Mr. Kumar, Milk dairy manager from the organization. They have explained about organization pattern, Standardized milk, special toned milk and toned milk. A milk processing plant with 10,000 liters capacity was installed with the help of National Dairy Development Board in 1971 and Mr.Sekar, supervisor explained about the milk is pasteurized, homogenized and standardized at the Dairy Plant before it is packed, stored and delivered to the consumers as per the Food Standards. The milk and milk products are sold to the consumers around 200 Agents and through 70 Ponlait owned Parlors. For distribution, vehicles are engaged through Closed Tender System / e-Tender System. On an average the liquid milk marketed by Ponlait in Puducherry is 1.0 lakhs litres per day which includes sale to the General Public, supply to Hospitals, Hostels& Educational Institutions. Our students B.Sc (N) II-Yr (54Nos) are benefitted from the visit and they come to know about the functions & activities of Ponlait. The Programme came to an end by 12 Pm.
