

DEPARTMENT OF COMMUNITY HEALTH NURSING

REPORT ON SCHOOL HEALTH PROGRAMME – PUDUKUPPAM (13.04.2022)

The students of P.B.B.Sc (N) II-Year, Batch 2020-2022 were posted in Moorthikuppam rural area for their community posting. They were guided by Mrs.K.Vijayamalini, Lecturer, Mrs.A.Priyadharshini, Nursing tutor, Department of Community Health Nursing. As a part of their Community Requirement they conducted a school health programme on “PREVENTION OF COVID-19 VARIANT XE-VIRUS” on 13.04.2022 in Government Primary School, Pudukuppam which covers around 50 school students and followed by provision of Nutritional balls to the students and taught about regarding Hand washing Technique, Immunity Booster Foods and song play regarding social distance. The school students were benefited by the school health programme - Prevention of Covid-19 Variant XE-Virus.
