Report on Guest lecture

Chromosomal anomalies in children - 22.03.2021

Vinayaka Mission's College of Nursing, Department of Child Health Nursing organized a "Guest Lecture on **Chromosomal anomalies in children**" on **22.03.2021**. Chief Guest and resource person of the program Dr. Bhavani Prasad, Senior Tutor, Department of Anatomy, PIMS, Puducherry inaugurated the session at 11.00 am. Welcome address was given by Mrs. Samundeeswari, Professor cum Academic Coordinator, VMCON, Puducherry.

After the formal inauguration session and felicitation by Dr. V. Sasi, Vice Principal, the session was handled by **Dr. Bhavani Prasad**. He highlighted on the Structural Abnormalities, DNA damage during spermatogenesis, Numerical abnormalities and the conditions pertaining to these mutations. At the end Dr. Sudha, HoD gave the certificate and Memento to the guest speaker. M.Sc.(N), B.Sc (N) and PBBSC Nursing students from Vinayaka Mission's College of Nursing participated and benefited by this session. About 75 students and 18 Faculties participated in the program. The session ended with vote of thanks proposed by Mr. Prabhu Assistant Professor, department of Child Health Nursing, VMCON, Puducherry. Tea and snacks was distributed to the participants. The program came to an end at 12.30 pm.
