

### Distribution of Sanitary Napkins

National Service Scheme unit of Vinayaka Mission's College of Nursing facilitated the faculties, nursing students, Non-teaching staffs and the attenders to attend the programme on Distribution of Sanitary Napkins which is organic and bio-degradable. This programme was conducted to spread the importance of organic sanitary napkins to prevent the major issues of PCOD among the females. The sanitary napkins was distributed to all the students and the faculties of VMCON.
