Report on sensitization programme
Siddha treatment for Covid 19 - 10.02.2021

Department of Child Health Nursing, VMCON in collaboration with Siddha Clinic, PHC Reddiyarpalayam, organized an awareness programme on the **"Use of Siddha treatment for COVID -19"** on 10.02.21. Chief Guest of the Programme was Mr. Gunasekaram, Medical Officer, PHC, Reddiyarpalayam, Puducherry. Formal inauguration of the programme started with lighting of Kuthuvilakku by the dignitaries. Followed with welcome address by Dr. Vadivel, **Sensitization programme on the importance and benefits of siddha treatment was enacted by students of VMCON and they distributed pamphlets.** Special address was given by Dr. B. Rajalakshmi, Siddha Medical Officer. Finally **"Diet on herbal remedies was exhibited"** for the public and school children.

Our students enthusiastically participated in the programme. The Programme was coordinated by Mr. Prabhu S, Assistant Professor, Dept. of Child Health Nursing, VMCON, Puducherry. Totally 25 members from public, PHC staffs 35 members, school children 20 members, students 11 & one Faculty were benefited by the Programme.
